1 The Problem

1.1 Disrespectful Behavior

There is a consensus that disrespectful behavior exhibited by students has reached an unacceptable level. We are defining disrespect as deliberate action such as walking away, defying, or talking back to a reasonable request from any adult on campus. While we agree that there are other important issues, this is the principle non-negotiable issue we are facing. Teachers have committed to focusing on this one issue above all others. We need to reset the current narrative by coming out in full force and presenting a united front. The solution to this problem is twofold:

1. Educate
2. Enforce Consequences

2 Solutions

2.1 Educate

We are educators and this is what we do best. We need to teach students what constitutes disrespectful behavior and that will not be allowed at this school. Teachers have committed to creating slides that show clear examples of disrespect. These slides are to be pushed out in homeroom. When appropriate, all staff members need to identify disrespectful behavior and explain to students why it is disrespectful.

2.2 Consequences

Teachers have agreed that any student who exhibits disrespect to any adult on campus will serve a lunch detention. There will be an initial 2-week implementation where teachers will volunteer to host detention in their classrooms. There will be no clubs during these two weeks since teachers will be hosting detention. Lunch detentions will consist of no more than 5 students per room. While serving a lunch detention, student use of electronic devices is prohibited. Furthermore, students are to complete a *staff apology letter*. This letter will provide students an opportunity to reflect on their behavior. If the letter is not completed, students will be assigned additional detentions until the completion of the letter.

2.3 Scope

In order for this campaign to be successful, it is crucial that our focus remains narrow and all staff members work to de-escalate situations when possible. Lunch detentions may only be assigned for disrespectful behavior. Behavior outside the scope of disrespect includes, but is not limited to: dress code violations, cell phone use, tardies, missing assignments, or academic infractions. Behavior outside the scope of disrespect must be addressed in another fashion.

If teachers need further support with broader classroom management, Mike Robinson has offered support for implementing CHAMPS.

2.4 Logistics [9/9]

1. **DONE** Creation of Slides for Homeroom @WULFF
Status: Initial slides are finished and available here: [slides for homeroom](#). Slides have been reviewed by St. Clare, Gonzales, Cohen, and Helmstedter *Wednesday March 01, 2023*.
2. **DONE** Creation of Second round of Slides @WULFF:@LUKINS
Status: Wulff and Lukins are considering three more scenarios for the first week of the detention. Admin approved *Friday March 03, 2023*. Slides have been sent to Cortez. She will include them in homeroom slides for the following week.
3. **DONE** Creation of Google Sheet @DURKEE
Status: [Final Draft](#). Email was sent to staff asking for volunteers to host *Wednesday March 01, 2023*. Durkee has placed volunteers in the sheet. Helmstedter has updated sheets to

include the information indicated below *Saturday March 04, 2023*.

- (a) **DONE** Sum number of students per day @HELMSTEDTER
Helmstedter will create a sheet that counts the number of students in detention in each day. This will be used by the cafeteria to prepare lunches.
- (b) **DONE** Add links to documents @HELMSTEDTER
- (c) **DONE** Add a column for teacher who assigned student @HELMSTEDTER
Helmstedter spoke with Lukins. She suggested to add a place to indicate who assigned the detention.
- (d) **DONE** Add a sheet containing all students in detention @HELMSTEDTER
- 4. **DONE** Creation of Staff Apology Letter @WILLIS:@STCLARE
Status: Spoke with St. Clare *Tuesday February 28, 2023*. Draft has been reviewed by Lukins, Willis, Helmstedter. [Final draft](#) done *Wednesday March 01, 2023*.
- 5. **DONE** Create Generic Parent Email @PIPKIN
Status: Spoke with Pipkin, draft sent to Durkee *Tuesday February 28, 2023*. The quote from Cohen was added at the beginning. [Final Draft](#) has been reviewed by Helmstedter *Thursday March 02, 2023*.
- 6. **DONE** Make copies of apology letter @DURKEE
- 7. **DONE** Assign a *Monitor Teacher* @HELMSTEDTER
Status: Email was sent to staff asking if their were volunteers for the monitor teacher. No teacher volunteered. Helmstedter is assigned to be the monitor teacher for the initial 2 week period. Will coordinate with admin, campus supervisors, and detention teachers.
- 8. **DONE** Determine if Parent Contact is Required @HELMSTEDTER From VUSD [Board Policy Manual Regulation 5144:Discipline](#)

Recess Restriction

Teachers may restrict a student's recess time only when they believe that this action is the most effective way to bring about improved behavior. When recess restriction involves the withholding of physical activity from a student, teachers shall try other disciplinary measures before imposing the restriction. Recess restriction shall be subject to the following conditions:

- The student shall be given adequate time to use the restroom and get a drink or eat lunch, as appropriate.
 - The student shall remain under a certificated employee's supervision during the period of restriction.
 - The student's teacher shall inform the principal of any recess restrictions imposed.
-

Status: Helmstedter's interpretation is that we are **not required** to notify parents of a lunch time detention. However, it is important to involve the parents if we wish to make a difference. As the monitor teacher, Helmstedter will work with admin to get access and send out the parent email.

9. **DONE** Create Standard Operating Procedures @HELMSTEDTER
Status: [Slideshow](#) and [Lunch Detention SOP handout](#) are complete. Additionally, the first thirty minutes of the department meetings on *Wednesday March 08, 2023* were devoted the Lunch detention SOP. We met as a staff. Helmstedter gave a presentation outlining the procedures, provided hard copies of the handout, and emailed it to the staff. Helmstedter is available to answer questions before school *Thursday March 09, 2023* and *Friday March 10, 2023*, or after 2:45 pm *Friday March 10, 2023*.

2.5 Admin Support [5/5]

Status: Helmstedter met with Admin (Klopfenstein & Cohen) *Thursday March 02, 2023*.

1. **DONE** Determine Consequences for No Shows @ADMIN
Status: For students who do not show up, there will be a Friday afterschool detention in C-3. This option requires transportation, and a Saturday option for any student who wishes to do that instead of after school. Details are in the works for this process. *Thursday March 02, 2023*. Klopfenstein will have a dedicated sheet that includes the students for the Friday afterschool detentions.
2. **DONE** Determine Student Notification Procedure @ADMIN
Status: The paper slip shown below (Figure 1) will serve as an initial notification for the student. The white copy is sent to the office, the pink copy is given to the student. After office use, the white copy will be placed in the teacher's box. On the day of the detention, Navarro (or whoever is in the support secretary/attendance position) will go through the spreadsheet and create call slips. That will be sent during the second block period.
3. **DONE** Draft Parent Square Notification @ADMIN
Status: ~~Cohen will draft a notification that will address this issue specifically.~~ [Helmstedter's draft](#) sent to Cohen *03-10-2023 Fri 15:48*. Cohen to send out message *Friday March 10, 2023*.
4. **DONE** Meal Service [3/3] @ADMIN
Due: *Friday March 10, 2023*
Status: The following items have been completed:
☒ Communicate meal pick-up time to cafeteria manager
☒ Assign people to pick up and distribute lunches
☒ Figure out how delivery people know the correct number per class

Helmstedter met with Carriger *Monday March 06, 2023*. She is on board to have lunches prepared for students who are serving detention. She has the total number of lunches required per day. Helmstedter will check in with her on *Monday March 13, 2023* and *Tuesday March 07, 2023* at nutrition.

Figure 1: image of detention slip

As of *Monday March 13, 2023*, this was not finalized. Helmstedter sent an email *Monday March 06, 2023* to Admin asking for support with the points listed above. Zach Johnson came into Helmstedter's room during instructional time because he did not know the procedure for delivering meals *03-13-2023 Mon 12:15*. Helmstedter put in place a temporary procedure for today. Then sent a follow up email to Admin asking for confirmation on meal service procedures *03-13-2023 Mon 15:20*.

Helmstedter and Klopfenstein spoke *Tuesday March 14, 2023*. Klopfenstein will be responsible for pickup and delivery of meals.

5. **DONE** Ensure support staff, paras, campus supervisors, and custodians are up to date@ADMIN

Due: *Friday March 10, 2023*

Status: Helmstedter sent an email requesting admin keep support staff up to date on procedures *Monday March 06, 2023*. Meal delivery procedure was not communicated to campus supervisor. Support staff in the office did not know how to process the paper detention slips. Helmstedter sent a follow up email to admin *03-13-2023 Mon 15:20* to address these concerns. Helmstedter and Klopfenstein spoke *Tuesday March 14, 2023*. Klopfenstein will cover detention slip procedure with office staff.

3 Timeline for Initial 2 week Implementation

3.1 DONE Create Necessary Documents Feb 27 to Mar 03

There are 5 major documents:

- [Homeroom Slides](#)
- [Google Sheet](#)

- [Staff Apology Letter & Spanish Version](#)
- [Email for Parents & Spanish Version](#)
- [CHAMPS Levels During Detention](#)

3.2 DONE Begin Education Campaign Mar 06 to Mar 10

Status: Slides were successfully incorporated into homeroom *Monday March 06, 2023* and will continue to be included for the rest of the week.

3.3 STRT First week of lunch detention Mar 13 to Mar 17

Status: Helmstedter has checked in with Admin, cafeteria manager, and host teachers from day one. All concerns are being addressed. St. Clare has created an additional document: [CHAMPS Levels During Detention](#) *Tuesday March 14, 2023*. This is a single slide with CHAMPS expectations

During the staff meeting, it was agreed upon that assignors should notify the host teacher when not assigning to themselves.

3.4 Second week of lunch detention Mar 20 to Mar 24

3.5 Scaled Down Detention Mar 27 to Mar 31

4 Detention Moving Forward

After the initial two week period, we can scale back the number of teachers involved in hosting the detentions. This will involve a rotation of teachers who will be compensated. Helmstedter has requested a meeting with Admin to discuss the logistics moving forward. Request made: *Friday March 10, 2023, Monday March 13, 2023, and Thursday March 16, 2023*.

4.1 Logistics [0/4]

1. **TODO** Construct a Rotating Calendar @ADMIN
Due: *Wednesday March 22, 2023*
 We need to figure out who will take on the position. How many times per week? How many people?
2. **TODO** Procedure for Getting People Paid @ADMIN
Due: *Wednesday March 22, 2023*
3. **TODO** Procedure for Tracking Repeat Students @ADMIN
Due: *Wednesday March 22, 2023*
 Per the staff meeting *Wednesday March 15, 2023*: there needs to be a clear policy in place for students who are in detention for multiple days. What clear steps can be put in place for progressive discipline? What triggers those steps?

4. **TODO** Create a Long-term Procedure for Assigning Detentions

@ADMIN

Due: *Wednesday March 22, 2023*

With the scaled back detention, the google sheet is overkill. Are we able to just use the detention slip?

In the staff meeting there were questions about having a space to write what happened? Can we use the referral form for that instead? And then under “other” have staff fill in lunch detention?

What about entering in Q? Two issues: 1) Teachers don’t have access to all students. 2) If data has to be entered in multiple places, it won’t happen.

5. **TODO** Inform Staff of the Procedure

@ADMIN

Due: *Friday March 24, 2023*
